

Hamilton Boys' High School

General Information

2012

Sapiens fortunam fingit sibi

He tangata maarama maana e whakairo toona ara

A wise man carves his own fortune

The School

“Hamilton Boys’ High School will provide the best academic education for boys in an environment which promotes achievement, personal excellence and a sense of pride in the best traditions of the school. Students will leave Hamilton Boys’ High School successful, confident, positive and enthusiastic in their readiness to make a valuable contribution to society and to fully realise their own potential.”

Mrs Susan Hassall
Headmaster MA (Hons)

Hamilton Boys’ High School is situated in central Hamilton on 20 hectares of magnificent playing fields, well maintained buildings and grounds.

The school’s zone comprises a large part of the central area of Hamilton city on both sides of the river. Out of zone applications are welcomed. Our school is rated as a decile 8 school.

The school has approximately 2,100 boys from Year 9 to Year 13. Of those, 1,900 are day boys and approximately 200 of these travel from outlying areas. There are over thirty different nationalities attending the school; most of our students are permanently resident in New Zealand, but the roll also includes a cohort of up to 45 international fee-paying students.

The school boarding hostel, Argyle House, meets the needs of rural families throughout the greater Waikato. Argyle House is an important part of the tradition and culture of the school.

The school has a clear commitment amongst its academic staff on the need for effective single-sex education for boys. As a consequence, the school is actively developing a range of leading-edge learning programmes for boys and young men and offers a wide range of academic and co-curricular activities and opportunities. We ensure that all school activities are conducted in a well-structured environment which supports and extends each boy’s abilities.

Academic Focus: Hamilton Boys’ High School will deliver a quality, balanced academic curriculum which aims at excellence, through the maintenance of high standards of delivery and an emphasis on encouraging all students to realise their full scholastic potential.

Positive Citizenship: Students will take pride in the traditions and values of the school, respect the needs and rights of others and be positive in their contributions to, and participation in, the life of the school in the widest sense.

Participation and Achievement: Hamilton Boys’ High School provides opportunities for wide participation in a range of co-curricular activities and, through quality coaching and management, ensures opportunities to compete and succeed at regional and national levels.

The strong school spirit is founded on core values that blend the values of the past with the challenge of the future, so students develop and grow in a safe, progressive and nourishing environment.

Uniform

School Shop
