Evening Concludes with the doors opening again at 11pm and the last dance at 11.15pm.

The Cultural Prefects of HBHS are excited to bring you the 2019 HBHS Ball. This is an evening which celebrates your son's final year at HBHS and we hope to make it an occasion to remember. In order for the event to run smoothly there are a number of factors to be considered as outlined below.

We ask that if your son is bringing along a date that they have shared these expectations with them. We will require the name of their date when tickets are sold and we remind the boys that their guest is their responsibility which includes making sure they get home safely.

HBHS has a **zero tolerance** policy to the consumption of alcohol and drugs and breath testing may occur at the door of this event. This is a measure designed to keep our students and their guests safe and any student found to have been drinking alcohol will be excluded.

There are to be no pre-ball functions where alcohol is available and there are to be no after parties. We ask parents to take this matter seriously and support the school in its policies around the safe management of this event.

Staff and Management of HBHS will chaperone the students at the ball and look forward to sharing the evening with the boys. Students are expected to maintain the high standards of HBHS for what will no doubt be a very special evening. **Tickets will be issued on Wed 12th June**, one week before the Ball, following a senior assembly where staff will once again share the school's expectations around conduct of those attending.

This year the proceeds of the Ball will go to support the following groups;

- Youthline Hamilton who work with young people & their families to provide help where it is needed. At the core of Youthline's work is the development of leadership and personal skills in young people.
- The HBHS Foundation Trust who support the school with the development of an endowment fund, an active Grants and Scholarship Programs. The work of the Foundation directly benefits the young men of HBHS.

Youthline
Changing lives.
