

# HBHS Old Boys' Foundation

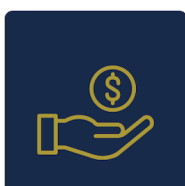

March 2024

## Who We Are

The HBHS Old Boys' Foundation was established in 2012 to support the school financially and underpin the work it does in providing a quality education to so many young men of Hamilton. The initial goal was to establish an endowment fund and over time this has grown to include the addition of regular events designed to connect Old Boys to the school, a donations platform for encouraging ongoing giving and a Grants and Scholarship program designed to further enrich the experience of students and staff at HBHS.

Join us at an event, return to school to enjoy a traditional sporting or cultural exchange, reach out to share your knowledge or experience with our current cohort, anything you do to keep connected adds real value to the culture of HBHS.

We also encourage you to consider making a donation to the Foundation so that Hamilton Boys' High School can continue to provide the highest quality of education for the young men and future leaders of our community. See the donations page for options or contact the Foundation office for more information.
